

## POSTDOCTORAL FELLOWSHIP AT LQMEC

The Laboratory for Quantum Matter under Extreme Conditions (LQMEC) at the University of São Paulo (USP) is pleased to announce that we are looking for an outstanding and enthusiastic researcher to work in the postdoc project:

Unveiling novel correlated spin states with experiments under simultaneous extreme conditions

The appointment must start in 12/2022 and extends up to 2 years. Candidates with a PhD in Physics concluded less than 7 years and with experience in high-pressure and low-temperature experiments can apply sending:

- 1) A Curriculum Vitae, including two Reference Contact Names/emails (max. 5 pages).
- 2) A Motivation letter to work in Larrea's group at LQMEC.

Please, send documents to Prof. Larrea, email: [lqmec@usp.br](mailto:lqmec@usp.br)

Deadline: October 28, 2022

For more information visit:
